

MORDEN HILL PATIENTS GROUP

Happy New Year to Everyone

It is now a month since our Christmas Party! I believe I am correct in saying a “Good Time” was had by all. Those unable to attend missed a good batch of Mulled Wine & Mince Pies! Although we provisionally arranged a meeting date for March, I would like you all to try to attend the meeting for 31st January?

The Surgery is now approaching our most important job of 2012 which is the end of year QOF reports and the Patient Survey Results.

The Surgery respectfully requests your attendance on Tuesday 31st January at 4pm at our first meeting of 2012 to:

- Discuss these results.
- Look at a proposal for a questionnaire
- Discuss and agree the questionnaire
- AOB

I look forward to meeting you all on 31st January at 4pm
